Hiring Manager
D. E. Shaw India

Plot No. 573, B C, Road No. 1, Jubilee Hills
Hyderabad, Telangana, 500033, India

Subject: Application for Software Engineering Internship

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the **Software Engineering Internship** position at **D. E. Shaw India**. As a **B.Tech Computer Science** student at **Graphic Era Hill University**, with a CGPA of **9.55/10**, I am eager to apply my technical expertise in **Python**, **C++**, and **Web Development** to contribute meaningfully to your innovative team.

During my academic journey, I have worked on projects such as a **forest fire detection system using machine learning** and an **Olympic data analysis tool** utilizing **Pandas**, **MySQL**, and **Matplotlib**. These projects refined my skills in **RESTful API design**, **version control**, and **full-stack web development** using **Django** and **Bootstrap**.

I am passionate about **problem-solving** and have solved over **750+ DSA problems** on platforms like **LeetCode**, **Codeforces**, and **CodeChef**, where I achieved a global rank in the top 7%. These experiences have deepened my understanding of **data structures**, **algorithms**, and **software design principles**.

What excites me about D. E. Shaw India is your commitment to creating scalable, innovative solutions in a collaborative environment. I admire your work in [insert specific project or company initiative], which aligns with my own passion for **clean code practices**, **continuous learning**, and working in diverse teams to drive impactful change.

I would love the opportunity to contribute my skills and enthusiasm to your team. I am confident this internship will allow me to grow while contributing effectively to your ongoing projects.

Thank you for considering my application. I have enclosed my resume for your review, and I look forward to the opportunity to discuss how my skills and experiences can contribute to your mission.

Sincerely,
Ankush Rawat
